May 28th, 2009

Who we are

- **Full Service Retail Pharmacy (Licensed in 50 states)**
- **Drug Distributor (Licensed in 50 states)**
- **Specialty Pharmacy**
- **Immunization and Vaccination Program**
- **Chosen by Roche and Pandemic Prep to participate in this program**

Located in Earth City, Missouri

What we do for Pandemic Prep

Option One (Direct to Employees & Actively managed by Foundation Care)

- **We receive enrollee information from you.**
- **Enrollees will be responsible for contacting their physician and presenting the pre-printed prescription for the physician's signature.**
- **The physician will then fax the completed form to Foundation Care**
- **Foundation Care will process insurance, and reimburse collected amount to your Company**

What we do for Pandemic Prep

Option Two (Bulk)

- **This option is available if you have access to a company physician or health service.**
- **You provide Foundation Care the total number of treatment courses you wish to reserve.**
- **Your company physician or health service is responsible for obtaining prescriptions and distributing the medication.**
- **It is not anticipated that companies will have claim with their health insurance carrier under this Option.**
